Subject: ECDC Bond

I received a phone call this morning from Darin Olson of ECDC. He got hold of the surety company regarding the cancellation of the bond. He was told the reason they sent the notice out is they are changing surety companies. By the end of next week, we will have the replacement bond by the new surety company.

Darin said, this should now be a "non-issue."

I asked him who the new surety company is - he didn't know. I thought if we knew we could check to make sure it is on our list of acceptable bonding companies. I guess we'll have to wait until next week to find out.

I'll send a copy of this to the file M/015/062.
